EDUCATION

PhD in Behavioral and Experimental Economics

Université Lumière Lyon 2, GATE (Lyon, France 2019 – Present)

Research Master in Clinical and Cognitive Neuroscience with Specialization in Neuroeconomics

Maastricht University (Maastricht, The Netherlands 2017 – 2019)

Undergraduate Degree in Economics

Universidad de los Andes (Bogotá, Colombia 2011 – 2016)

Academic Option in Psychology

Universidad de los Andes (Bogotá, Colombia 2013 – 2015)

Academic Option in Business Administration

Universidad de los Andes (Bogotá, Colombia 2012 – 2015)

RESEARCH EXPERIENCE

Universiteit Leiden. Department of Social and Behavioural Sciences.

11/2018 – 07/2019

Research assistant (internship)

Research director: Carsten De Dreu.

Maastricht University. Brain and Cognition Group.

04/2018 – 06/2018

Research assistant

Researcher: Aline Dantas.

Universidade Federal do Rio Grande do Sul. Laboratory of Experimental Psychology, Neuroscience and Behavior.

09/2016 – 12/2016

Research assistant

Laboratory director: Rosa Maria Martins de Almeida.

Undergraduate Thesis: The Right Dorsolateral Prefrontal Cortex as a New Variable in Economic Decision-Making Models.

01/2016 – 07/2016

Supervisors: Juan Camilo Cardenas and Luis Fernando Cardenas.

Universidad de los Andes: Neuroscience and Behavior Laboratory.

01/2015 – 08/2015

Research assistant

Laboratory director: Luis Fernando Cardenas.

Universidad de los Andes. Research Project: Risk Aversion as a Bias of the Rationality in the Neoclassical Economic Models.

01/2014 – 08/2015

Research assistant

Research director: Adolfo Amézquita.

PRESENTATIONS

Latin-American Neuroscience Congress FALAN, 2016. Buenos Aires, Argentina. Poster Presenter.

The Right Dorsolateral Prefrontal Cortex as a New Variable in Economic Decision-Making Models.

LENGUAGES AND SKILLS

Spanish (native), English (fluent), Portuguese (intermediate).

Stata and Matlab.
